BEAN CANISTER CAPACITY	INSTANT CANISTER CAPACITY	DIMENSIONS	DISPENSING OUTLETS
1 x 1.4kg	2 x 1.3L	330 x 570 x 660mm	Double

PRODUCT OVERVIEW

The Bravilor Esprecious 12 is a bean-to-cup espresso machine with one 1.4kg coffee bean canister and two 1.3L instant ingredient canisters. It features a touchscreen interface, dual dispensing outlets, and a separate hot water tap. Designed for commercial use, it includes a professional grinder, adjustable brewing settings, and a hot water system to reduce scaling. Dimensions: 330 x 570 x 660mm.

KEY FEATURES

- Bean-to-cup system with professional grinder and brewer
- Intuitive touchscreen interface
- Dual dispensing outlets for simultaneous serving
