

Ankor Planetary Mixer 20Lt No Hub

PRODUCT CODE NOT STATED | BRAND Ankor

CAPACITY	WEIGHT	DIMENSIONS
20Lt	65kg	540 x 490 x 780mm

PRODUCT OVERVIEW

The Ankor 20Lt Planetary Mixer is a heavy-duty commercial unit with stainless steel safety guard, micro-switch, and three-speed settings. It includes dough hook, whisk, and flat beater attachments. Finished in durable enamel, it features hardened steel alloy gears and is suitable for bakeries, pizzerias, and catering kitchens.

KEY FEATURES

- Stainless steel safety guard with micro-switch that stops machine if opened during operation
- Includes dough hook, whisk, and flat beater as standard attachments
- Durable enamel finish for easy cleaning and toxin-free surface
