

Anvil Spaza Fish Fryer

PRODUCT CODE NOT STATED | BRAND Anvil

OIL VOLUME	POWER	VOLTAGE	OUTPUT
2 x 8L	2 x 3.4kW	230V	10kg French fries per ho

PRODUCT OVERVIEW

The Anvil Spaza Fish Fryer is a compact, 16L floor-standing commercial fryer with dual 8L inserts, each equipped with a 3.4kW heating element. Designed for informal traders and small food operations, it features thermostat control (50 C 190 C), safety cut-out, and an integrated splashback. Requires two separate 16A power outlets.

KEY FEATURES

- Dual 8L fryer inserts with individual 3.4kW heating elements
- Thermostat control (50 C 190 C)
- Safety cut-out protection against oil flashing
