

Avenia Coffee Machine with 1.8L Flask

PRODUCT CODE NOT STATED | BRAND Avenia

CAPACITY	FLASK VOLUME	DIMENSIONS	WEIGHT
2.2L	1.8L	205 x 405 x 527mm	6.5kg

PRODUCT OVERVIEW

The Avenia Coffee Machine with 1.8L Flask is a stainless steel unit designed for high-volume brewing, featuring a vacuum air pot for temperature retention and an ergonomic pump for dispensing. It brews directly into a thermal container, suitable for office or mobile use.

KEY FEATURES

- Vacuum air pot design for extended temperature maintenance
- Ergonomic pump mechanism for precise dispensing
- Integrated handle for easy transportation
