

Robot Coupe - Power Mixer Mini MP 190 V.V

PRODUCT CODE NOT STATED | BRAND Robot Coupe

VOLTAGE	POWER	SPEED RANGE	TUBE LENGTH
230V	0.27kW	2000 to 12500 RPM	190mm

PRODUCT OVERVIEW

The Robot Coupe Mini MP 190 V.V is a compact, professional-grade immersion mixer designed for small-batch food processing. It features a variable-speed motor, stainless steel blade, and emulsifying disc, suitable for emulsions, purees, and vegetable prep. Includes wall-mount support and a removable foot for cleaning. Built with a reinforced metal gearbox and three-level watertightness for durability.

KEY FEATURES

- Stainless steel knife and emulsifying disc
- Removable foot and knife system for cleaning
- Reinforced metal gearbox
