

UPC ELECTRIC HEATED FRONT LOADER 800 SERIES SLATE BLUE TWO CABINET

PRODUCT CODE NOT STATED | BRAND CAMBRO

VOLTAGE	DIMENSIONS	WEIGHT
220V	520 x 690 x 1370 mm	46.3 kg

PRODUCT OVERVIEW

A two-cabinet electric heated front loader with wheels, designed for banquet and catering use. Features thick foam insulation, a patented vent cap, and a tough polyethylene exterior. Operates on 220V.

KEY FEATURES

- Two cabinet configuration with wheels
- Thick foam insulation retains heat for up to 4 hours unplugged
- Patented vent cap design reduces steam and maintains food moisture
