MODULE DIMENSIONS	COUNTERTOP HEIGHT	STORAGE COMPARTMENTS
76 2/5 x 27 1/2 inches	4/5 inch	2 drawers, 4 doors

PRODUCT OVERVIEW

The Lisa Outdoor Liberty Green Island Outdoor Kitchen is a modular unit crafted from premium 304 stainless steel with a scotch brite finish. It features a 76 2/5 x 27 1/2 inch module, a 4/5 inch high stainless steel countertop, and includes two drawers and four doors with bluemotion adaptive damping. Designed for gas barbecues, it offers tip-on push-to-open access and a minimalist groove design. Available with feet or swivel castors.

KEY FEATURES

- Premium 304 stainless steel with scotch brite finish
- Bluemotion adaptive damping for smooth, quiet operation
- Tip-on push-to-open mechanism for effortless access
